- (c) He informed the Committee Members that after intial inquiries, CCTV footages, wardens and Security In charge's reports the whole case could be understood in a better perspective.
- (d) The flow of events was narrated by him and it was informed to the Committee Members that the alleged victim had been identified and spoken to by him. Th. third year student (alleged victim) was satisfied with actions taken by university and that he was not scared anymore.
- (e) Some of the issues which merit highlighting in the case were then brought to the knowledge of Committee Members as under:-
 - (i) Sudden disappearance of alleged victim from the scene of incident and remain untraceable till next morning.
 - (ii) Suspicion of alleged victim trying to evade alcohol breath analysis test because of prolonged absence.
 - (iii) Not contacting VC, Registrar, Chief Warden or any authority of JUIT during his prolonged absence for Help/Complaint but lodging complaint directly with Anti Ragging Helpline.
- (f) On deliberations by the Committee, it was decided that the case does not fall under the category of Ragging. Confined space of Open Cafeteria, huge crowd, accidental brushing of shoulders by the two students unknown to each other earlier leading to verbal altercation and holding each other's clothes would not quality for Ragging.

4. The Meeting ended on the following decisions:-

- (a) Case did not qualify under Ragging.
- (b) Alleged victim's prolonged absence, not contacting any University authority on phone, false statement of mobile switched off are indicative of his evasive unjustified actions.
- (c) Termination of cultural event, move of large student crowd to hostels/cafeteria through confined space and brushing of shoulders by two unknown students is purely incidental.
- (d) Both students should be counselled and warned for their verbal altercations and actions.

5. There being no other points, the meeting conducted.

Report on Zero Discrimination Day

The Zero Discrimination Day is an opportunity to bring attention to the disparities that restrict individuals from leading full and productive lives and call on governments to fulfil their pledges and duties to eradicate all kinds of discrimination.

On Zero Discrimination Day, **1st March, 2023**, Complaint against Caste Based Committee, JUIT Waknaghat organized an event **Awareness session with students**. Committee celebrated the right of everyone to live a full and productive life and live it with dignity. Zero Discrimination Day highlights how people can become informed about and promote inclusion, compassion, peace and, above all, a movement for change. Zero Discrimination Day is helping to create a global movement of solidarity to end all forms of discrimination.

Every year, Zero Discrimination Day is celebrated under a particular theme. The theme of this year's Zero Discrimination Day is **"Save lives: Decriminalize"** highlighting how the decriminalization of key populations and people living with HIV saves lives and helps advance the end of the AIDS pandemic.

A butterfly is the symbol of Zero Discrimination Day and it is widely used by people to share their stories and photos as a way to end discrimination and work towards positive transformation. The day aims to promote equality before the law and in practice.

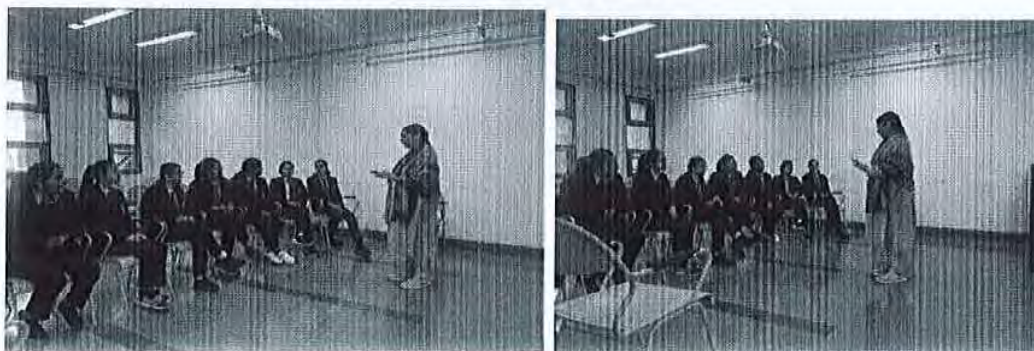

In a historic move, Seattle, on Tuesday, 21st February, became the first city in the United States (US) to explicitly ban caste discrimination.

Dr. Hemant Sood Associate Professor, Department of Biotechnology & Bioinformatics, giving information about equality. She interacts with students sensitized them about respecting all humans irrespective of their caste and creed. She told them to promise that on this, Zero Discrimination Day, we will honor everyone's right for living a full and productive life with grace and dignity. The goal of Zero Discrimination Day is to raise awareness of and encourage inclusion, compassion, and peace, and, most importantly, this is a movement for change. She told them that the global campaign initiated to eradicate all forms of discrimination which is being sparked by Zero Discrimination Day celebrations.

Dr. Ruchi Verma, Assistant Professor, in the department of CSE &IT interact with students and she speaks about that how several countries have flawed systems of justice and legal codes that lead to the historical exclusion of a few communities or sections of people from essential services and cause social marginalization. This discrimination may pertain to faith, sexual orientation, income level, gender and race of a person as well.
