

Outreach activity of Govt. Degree College Sanjauli Shimla on 8th December, 2023.

An outreach visit for B.Sc.(Medical) students of Govt. Degree College Sanjauli was organized to the Department of Biotechnology and Bioinformatics, Jaypee University of Information Technology, Wanknaghat. This event was coordinated by Dr. Poonam Sharma. In addition to this visit hands on training was also organized to the students by Dr. Ashok Kumar Nadda on biocomposite applications while Plant tissue culture applications were taught by Dr. Hemant Sood. We would also like to extend our heartfelt gratitude Dr. Minakshi Sharma and Dr. Shaweta Sharma (Deptt. of Zoology) Govt. Degree College Sanjauli, for helping to coordinate this event.
