

Jaypee University of Information Technology (JUIT) Waknaghat, Solan

School Outreach Activity and Career Counseling Programme

At Baijnath and Palampur area, H.P.

From (13th to 15th December, 2023)

An outreach and career counseling activity for school students was carried out by Jaypee University of Information Technology, Waknaghat during 13th December, 2023 to 15th December, 2023. The Department of Computer Science Engineering and Information Technology and Department of Biotechnology and Bioinformatics and Department of Humanities and Social Sciences has participated in this activity. Prof. Vivek Kumar Sehgal and Dr. Nishant Sharma from Department of Computer Science Engineering and Information Technology, Dr. Deler Singh from Department of Humanities and Social Sciences, Dr. Anil Kant from Department of Biotechnology & Bioinformatics and Mr. Praveen Kumar from Admission Cell, Department of Administration visited Baijnath and Palampur area Schools of Kangra and Mandi district of H. P. for guiding the students for their future education and career plan.

The Team has also showcased the video of university to the students. Total numbers of student's strength in these schools with whom these interactions were made was approx 350+. Students were counseled about various options available after their schooling. Also they were informed about various recent developments in technologies where they can play an important role for the growth and development of the state as well as our country. Students were informed about various engineering courses available at JUIT and were also sensitized about the future prospects in all the engineering streams such as Civil, Electronics and Communication, Biotechnology, Bioinformatics, Computer Science and Engineering, Information Technology along with current trends in data mining, machine learning, deep learning and artificial intelligence etc.

Coordinator: Dr. Deler Singh, Dr. Nishant Sharma and Mr. Praveen Kumar
