

Orientation session with the Reckitt Benckiser team for the students of BT and BI of JUIT and GCP,Rohru on October 30,2023

Jaypee University of Information Technology, Waknagaht placement cell organized a joint virtual session with the Reckitt Benckiser team for the students of BT and BI (28 no.) from JUIT and Bachelor of Pharmacy students(18 no.) of Govt. College of Pharmacy, Rohru, Shimla for providing orientation for the FTC positions in the company. Dr Nandan Dhir an expert from the industry has explained about the work profile and all terms and conditions for the job. He has provided valuable input for seeking good positions in MNCs and gave feedback to students regarding present requirements in these companies so that they should prepare well for the interviews. Dr. Hemant being the coordinator of the GCP, Rohru MoU has facilitated this orientation session for the students with the kind support of Mr. Pankaj Jinta from GCP Rohru along with Dr. Saurab Bansal and Mr. Pankaj Sharma coordinators from the Training and Placement cell of JUIT . Glimpses of events are mentioned below.
