Pre-Placement Training

Dear students,

As you have been already informed that JUIT shall be conducting a short term training program to train & equip the students for the upcoming campus placement opportunities from 29th July till 9th August 2014.

The attendance in the program is compulsory for all the students of all the branches (CSE, IT, ECE, Civil) including BI, BT and BTDD (fifth year) and B. Pharm who want to participate in the campus placement activities in the coming months. Failing which, they would strictly not be allowed to sit for any of the companies. The details of the training program have already been notified and are also available on the JUIT web site, do go through the same and ensure your participation & placement.

Kindly register for the training on or before 15th July by clicking the link given below:
