c. The session wise attendance count was as under-

28 th April, 2017	-	42
29 th April, 2017	-	34

d. All four sessions were organized by the expert team from IIT, Delhi (**Mr. Sajeiv Soni; +91 8588817748, Mr. Ashish Ranjan; +91 9643358536 and Mr. Pratek Sharma; +91 987326626**).

e. As per suggested by you to the coordinators, following information has been collected-

- i. All the software required to run the vLab in USB.
- ii. List of RT vLABs along with their Meta information.
- iii. Demonstration of installation of software at a computer from the members of the team from IIT, Delhi.
- iv. Learn about the responsibilities of the Nodal center from the members of the team from IIT, Delhi.

f. Identified **19 computers to install vLabs in Computer Lab – 4**. Till now one machine is checked and remaining 18 machines will also be ready to use for the purpose in this week.

With best regards
