Workshop report on Benchmark WiCOMM-T and IoT training System

Department of Electronics and Communication Engineering organized a workshop on "Benchmark WiCOMM-T: Wireless Digital Communication Training System" and "Benchmark iCONSeT: An IoT Training System". The program was scheduled on February 25th, 2019 at ECL-8 Wireless Lab of the Department of Electronics and Communication Engineering, Jaypee University of Information Technology, Waknaghat, Solan, H.P.

Dr. Shweta Pandit, Mr. Alok Kumar and Mr. Pramod Kumar were the Coordinators of the program. The program was started with the welcome speech by Prof. M. J. Nigam, HOD, ECE. Thereafter Mr. M. SivaKumar, Assistant Manager-Technical Support, Benchmarks Electronic Systems Private Limited gave demonstration on WiCOMM-T kit which is SDR platform kit. Some of the basic experiments were performed in the lab on WiCOMM kit and queries were raised and answered. The faculty have done the hands-on activity on the kit. Afterwards, in post lunch session "iCONSE-T : IoT training system" kit demo was given. Various sensors activities and its application was observed through the kit.

More than 40 participants including Faculty Members, Lab Staff, Research Scholars and B.Tech. final year students have participated in this workshop.
