A five-member team from different departments of JUIT visited the school. Team members included Dr. Tiratharaj Singh (Biotechnology/Bioinformatics), Dr. Gopal Bisht (Biotechnology/Bioinformatics), Dr. Ragini Raj Singh (Physics), **Dr. Rishi Rana (Civil Engineering)**, and Dr. Naveen Jaglan (Electronics & Communication Engineering).

For the celebration of “National Science Day Symposium” (NSDS 2022), a quiz competition was held in Chapslee School for students of classes 9 to 12. The 3–stage competition covered the areas of Science, Maths and General Knowledge. The result of the quiz was declared on February 28, 2022. During this meeting, the students of classes 11th and 12th were encouraged and motivated on how to keep a positive approach during the tough and frustrating COVID times. The faculty members from the University gave encouraging examples from their own lives and inspired students to be self-motivated about their future.

Faculty members discussed the importance of progressive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. This outreach activity helped students to be guided towards a path with a positive mind and driven by self-motivation. The school principal, Shri. Rajendra Singh along with other faculty members Ms. Rupali Kapila, Shri. Gavish Kumar, and Ms. Harider Kaur gave full cooperation to make this activity a success.
