

Visit of Students from Delhi Public School, Bahadurgarh

Date of Event: September 24, 2022

School: Delhi Public School, Bahadurgarh

Approximate No. of Students Attended: 50

On September 24, 2022, about 50 students from Delhi Public School, Bahadurgarh, of various standards visited Jaypee University of Information Technology, Wazirpur. After the tour of the Academic Block, the students along with their teachers were given the tour of the Department of Civil Engineering by **Dr. Amardeep and Dr. Sugandha Singh**. The students visited various laboratories such as Highway Engineering Lab, Geotechnical Engineering Lab, Concrete Lab, Environment Lab, etc. The students were made aware about the civil engineering field, what it means to be a civil engineer, and significance of the various experiments conducted in the laboratory.
