

GUEST LECTURE REPORT (20/04/2019)

Civil Engineering Consortium (CEC) organized a Guest Lecture on 20th April, 2019 in CR-14 from 10:00 am-12:00 noon which was attended by 60 students.

In Entrepreneurship session Mr. Sunny Kumar (Managing Director, **Innovation & Design Technologies**) discussed about

- His own success story.
- How to turn failure into success?
- How Learning Attitude helped him in his Entrepreneurship journey?
- What all opportunities we have for internships and scope of every field?
- Concluded the session by giving advice to the future Entrepreneur.

In Motivational Session Mr. Sunny Kumar covered the following topics.

- Develop Learning & Never Give Up Attitude.
- Importance of Dreams & Goals in our life.
- Need of Personal Development.
- Why we fail in life?
- Importance of Positive & Negative thinking in our life.
- Art of Communication
- Success Mantra
