THE SECOND IEEE INTERNATIONAL CONFERENCE ON PARALLEL, DISTRIBUTED AND GRID COMPUTING

December 6-8, 2012

Organized by

Jaypee University of Information Technology
P.O. Waknaghat, Solan-173234
Himachal Pradesh, India

Technically Sponsored by
IEEE Delhi Section
Computer Society Chapter

Objective

The Second IEEE International Conference on *Parallel, Distributed and Grid Computing* (PDGC-2012) will be organized at Jaypee University of Information Technology, Waknaghat, Solan, Himachal Pradesh, India. The conference is technically sponsored by IEEE Delhi Section Computer Society Chapter. PDGC-2012 will serve as an international forum for researchers and practitioners interested in recent advances in the areas of parallel, distributed and grid computing. It will provide an opportunity to present and exchange advanced scientific and technological information in hardware, software and theoretical foundation in these areas.

Jaypee University of Information Technology (JUIT)

Jaypee University of Information Technology (JUIT), established in 2002, is a state university, located in a spectacular setting near Shimla, which is at the foothills of the Himalayas. The University offers B.Tech., M.Tech. and Ph.D. programs in Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Biotechnology, Bioinformatics, Pharmacy and Civil Engineering. Current enrolment in these programs is more than 1800 with a permanent faculty strength in excess of 150.
