The Second International Conference on Parallel, Distributed and Grid Computing (PDGC-2012) will be organized at Jaypee University of Information Technology, Wanknaghat, Solan, Himachal Pradesh, India. The conference is technically sponsored by IEEE Delhi Section Computer Society Chapter. PDGC-2012 will serve as an international forum for researchers and practitioners interested in recent advances in the areas of parallel, distributed and grid computing. It will provide an opportunity to present and exchange advanced scientific and technological information in hardware, software and theoretical foundation in these areas.

The topics of interest broadly include, but are not restricted to:

- Distributed Systems
- Parallel Computer Systems
- Network-based Computing
- Dependable Computing and Systems
- Cluster and Grid Computing
- Cloud Computing
- Peer-to-Peer Computing
- Multimedia and Service Networking
- Security and Privacy
- Related fields
