CALL FOR PAPERS

2016 Fourth International Conference on Parallel, Distributed and Grid Computing (PDGC), will be organized at Jaypee University of Information Technology, Waknaghat, Solan, Himachal Pradesh, India. The conference is technically sponsored by IEEE USA, IEEE Delhi Section and IEEE Delhi Section Computer Chapter. Proceedings will be included in IEEE Xplore. IEEE Conference Record Number: 38036.PDGC-2016 will serve as an international forum for researchers and practitioners interested in recent advances in the areas of Parallel, Distributed and Grid Computing. It will provide an opportunity to present and exchange advanced scientific and technological information in hardware, software and theoretical foundation in these areas.

The topics of interest include, but are not limited to the following tracks:

- * Parallel and Distributed Algorithms
- * Networks, Interconnection Networks and Network based Computing
- * Dependable, Cluster, and Grid Computing
- * Multimedia and Service Networking
- * Cloud Computing
- * Secure Computing
- * Big Data Computing
- * Software Tools and Environments for Parallel and Distributed Platforms

Paper Submission:

Papers must be submitted electronically (in PDF format) via on-line submission using the EDAS system at the following link: (<http://edas.info/N22469>).

Deadlines:

Paper Submission
15 July, 2016
